Surrey Youth Festival

Neighbour Training took a stand at this event, held at Epsom Downs Racecourse on 27th September. The purpose of the Festival was to provide information and advice to students about career and further education options (you may have been to this when you were at school as it is an annual event).

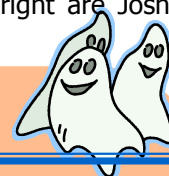

John Davey arrived promptly at 7am to set things up and meet employers who were attending breakfast seminars. Gillian Neighbour and I arrived in time to meet the teachers and pupils. Although we were 'competing' against many big organisations and colleges, our stand was very popular, possibly due to the opportunity of winning an iTunes voucher every hour! Pictured here are some of our winners: on the left is Gillian Neighbour with Freddy from George Abbot School; above right are Josh and Dom from the Royal Alexandra & Albert School.
